Rockwell Unscripted® Mobile Storage

Rockwell Group

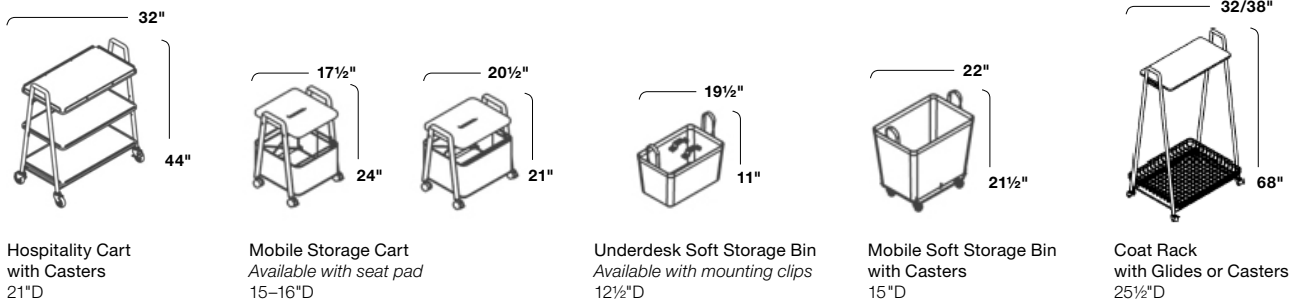

Knoll

ROCKWELL UNSCRIPTED uses storage as an activator in the workplace, putting inspiration within reach by equipping spaces with easy-access, object-based storage. The coatrack gives you a place to stash your stuff. The hospitality cart gives you a place to stash your stuff. The hospitality cart brings the provisions (or the party) to you and your team. The mobile storage cart puts your work tools in a convenient place, for the hour or for the day, and provides an impromptu place to perch. Soft storage bins offer deep, partially-concealed storage for your grab-and-go essentials.
