## **Cove Collection by Knoll™**

Cove Collection by Knoll offers thoughtful, scalable options for the modern private office. Refined and refreshingly light in scale, each element in the Cove Collection is skillfully constructed with the warmth and precision for which Knoll is renowned. Cove is crafted from honest materials: premium metal, back painted glass, and fine wood veneer that brings the natural world inside.

Dan Grabowski

**Benefits**

- Cove Collection by Knoll creates private offices within the broader workplace that can scale from a modest office to expansive executive suite
- Slim profile, minimalist construction, beveled edges and deftly concealed cable management offer an approachable, elevated aesthetic
- Pieces of veneer are carefully selected from same flitch and individual components are processed all at once, highlighting the craftsmanship of the Knoll wood finishing process

**Warranty**

12 year. For full warranty details and exclusions, refer to the MillerKnoll limited warranty.
